

## **LAND SURVEYOR 3**

### **Engineering & General Services Division**

**Recruitment # 2006-08-6863**

#### **AGENCY MISSION AND CHALLENGE:**

The mission of the Department of Natural Resources (DNR) is to provide professional, forward-looking stewardship of our state lands, natural resources, and environment. DNR provides leadership under the Commissioner of Public Lands, an elected official, in creating a sustainable future for the State Trust Lands.

At the DNR, we envision a future in which our human and natural environment provides abundant and diverse social, ecological, and economic benefits for the people of Washington, in this and all future generations. In acting to ensure the vision, we ensure sustainability.

DNR manages over 5 million acres of state-owned land that includes forest, range, commercial, agricultural and aquatic lands. Since 1970 DNR-managed lands have generated \$6 billion that support public schools, state institutions and county services. These lands also provide public benefits that include fish and wildlife habitat, clean and abundant water and public access to outdoor recreation. The DNR operates with a biennial budget of approximately \$400 million and has over 1300 employees. For more information about the department, see the DNR website at [www.dnr.wa.gov](http://www.dnr.wa.gov)

#### **Job Classification:**

Land Surveyor 3

#### **POSITION PROFILE**

The Geodetic Survey Section's Land Surveyor 3 will perform field reconnaissance in preparation for GPS and leveling surveys, prepare the scope of work for GPS and leveling contracts, and provide quality assurance and control during each GPS and leveling contract. Other duties include construction and maintenance of GPS continuously operating reference stations, preparing reports and plans and making presentations.

#### **REQUIRED POSITION QUALIFICATIONS**

- Valid WA St. Professional Land Surveyor license
- Five year's experience supervising leveling and GPS measurement work.
- Knowledge and competent use of equipment and resources (software, hardware, continuing education) that are used to efficiently perform the necessary functions of the position.

#### **DESIRED POSITION QUALIFICATIONS**

- Experience with high accuracy digital leveling.
- Expertise in various GPS measuring techniques, including high accuracy static, rapid static, and real-time kinematic.
- Experience in public speaking and teaching.
- Expertise with computers using various software, including GPS vector processing, GIS, and standard office suite (Word, Excel, Access, PowerPoint).

## POSITION REQUIREMENTS

- Potential for overnight travel in preparation for project contracts and contract administration.
- Field work along highways and in rugged terrain.
- Valid driver's license with at least two years driving experience
- Carry up to 50 pound loads.
- Operation of a computer in both field and office environments.
- Must be 18 years of age at time of hire

## WHO MAY APPLY

This recruitment is open to anyone who meets the required qualifications for this position.

## APPLICATION PROCESS

To be considered for this position please submit:

- A letter of interest describing how your experience and qualifications relate to the job profile and the required and desired position qualifications.  
Indicate in your cover letter how you learned of this opportunity.
- A completed application – [www.dnr.wa.gov/jobs/stateapp.doc](http://www.dnr.wa.gov/jobs/stateapp.doc)

The first screening will be based on information contained in your letter of interest and your state application.

Submit all materials by the closing date to:

Electronic method preferred	OR other method
